STANFORD CLAIM REJECTED.

The Senator's Widow Says Govern ment Demands Are Unjust. (By Associated Press.)

SAN FRANCISCO, July 24.-Mrs. Leland Stanford and her attorneys have notified the Government, through United States District-Attorney Charles A. Car ter, that its claim for \$15,000,000 against the estate of Senator Stanford has been rejected.

This means that Mrs. Stanford considers the demand of the Government unjust and without foundation, and that it will be paid, if ever, only at the end of long litigation. So far as the Government is concerned, the matter will rest in its present state for months at least. On Jan 26, 1855, there will be due to the United States, for aid extended to the Central Pacific Company, the sum of \$2,362,000. It is alleged that the Stanford estate must pay a large proportion of that indebtedness.

Between Jan. 16 and March 18 of next year the Government must bring suit in the Superior Court of this State against the estate, or its claim will be forever barred. ter, that its claim for \$15,000,000 agains
